Dear Candidate:

The City of Houston District B Super Neighborhoods, Civic Clubs, Non-profit Organizations, Precinct Chairs, and Community Members, respectfully request your presence at our candidate forum for the position of City of Houston At-Large Councilmember on September 21, 2023, at Acres Homes Multi Service Center (6719 W. Montgomery Rd.; Houston, TX 77091) from 6:00-8:30 p.m.

District B has a unique history which requires unique solutions to address the commonality in the following areas of concern: Illegal Dumping, Flood Mitigation, Crime, Economic Development, Environmental Justice, Health & Wellness, Safety, and Infrastructure.

This community organized town hall style candidate forum aims to engage and inform the District B Community through Q&A to better understand your plans to address each of these topics should you be elected.

We appreciate your willingness to serve and look forward to your participation.

Kindly, confirm by emailing us at DistrictBUnited@gmail.com by Monday, August 28, 2023.

Sincerely,

District B United
